Do you have any suggestions for SSCA?

1	Exposure of the industry as external activity
2	Forming various committees & organizing educational events & also sports
3	More Practical than theory

Director SSCA ATR

Exposure of the industry as external activity	More industrial visits will be organized for the batch after the internship. The internship will provide a robust platform for exposure and is scheduled for the upcoming semester
Forming various committees & organizing educational events & also sports	Students are now part of various committees at institute level
More Practical than theory	More options of practical courses in upcoming semesters
