Innovation in Inclusion

Firmly adhering to our university's values of “Vasudhaiva Kutumbakam”, a host of Diversity & Inclusion measures are being implemented this year by SIBM Pune in their admissions process of 2022. So as to help the visually impaired candidates a QR code was developed. This was used to help these candidates to understand the details of the instructions of the admission process through voice-recorded call letters by scanning the QR code. All introductory and onboarding videos were translated into Indian Sign Language by an ISL interpreter to help aspirants with hearing disabilities. Closed captions were displayed on the screen to further enhance understanding of the videos and any instructions that the admissions team provided. Instruction videos (ISL interpreted) explaining how to handle the online platform were also made available to all aspirants before the admission process in 2022.

New Centre Established

On the occasion of World Cancer day, on 4th February, 2022 the Chemotherapy Centre was inaugurated at the Symbiosis University Hospital and Research Centre by Dr. Naveen Khattry, Head, Hematolymphoid and Bone Marrow Transplant, Tata Memorial Centre.
